

Blue Moon Spring Blonde Wheat Ale

- A delicious, light-bodied ale crafted with lemon peel, orange peel, and white wheat for a refreshing taste with a crisp, citrus finish. It's the perfect accompaniment to that first glorious patio day of the season.
- Spring Blonde Wheat Ale is best featured in our Blue Moon glass, which helps highlight the beer's light effervescent qualities.
- Spring Blonde Wheat Ale can be garnished with an orange to enhance its citrus flavor.
- The beer's citrus flavors complement seafood, chicken, light seasonal salads, and desserts such as fruit dishes and sorbets.
- ABV: 5.4%
- It's available for a limited time every spring, January through March

Blue Moon Spring Blonde Wheat Ale

Sensory Notes

Appearance

- Light golden color with high clarity and a white, creamy head. May have a slight amount of haze from the high-protein wheat.

Aroma

- Light aroma with hints of citrus. Additional notes of orange and lemon might be discernible

Taste

- Light body from the use of wheat. Taste starts out slightly tart and citrus with hints of orange and lemon followed by a small amount of hop bitterness balanced with malt sweetness.

Mouthfeel

- A light-bodied ale with a medium level of carbonation to balance the wheat taste.

Finish

- Finishes with a light, wheat/citrus taste that cleans up quickly
